

Paradise Recipe

Decorating Frosting

5 cups confectioners sugar.

3 tablespoons butter or margarine, softened.

2 teaspoons vanilla.

1 to 2 tablespoons milk.

Mix sugar, butter, vanilla and enough milk to make desired consistency. Frosting must be firm enough to hold a shape when piped through a pastry tip. If frosting is too thin, beat in a little more confectioners sugar; if frosting is too thick, beat in milk, adding a few drops at a time.
