

Cherry Limeade Ice Pops

Ingredients

- 12 oz can frozen limeade, thawed
- 2 cans water
- 2 cans cherry 7-up
- 1/3 cup maraschino cherry juice
- 8 oz container candied whole cherries

Directions

In large pitcher, stir together thawed limeade mix, water, cherry 7-up and cherry juice.

Drop 3 or 4 whole candied cherries into each ice pop mold. Fill each mold half way with limeade cherry mixture. Drop in 2 or 3 more whole candied cherries. Top off with more limeade cherry mixture.

Carefully place stem end into mold. Freeze ice pops overnight.

Recipe Notes

Recipe Note: Adjust water, 7-up and cherry juice according to personal preference.
