

Fruitcake Cookies

Ingredients:

- 1 stick unsalted butter room temperature
- 1/2 cup brown sugar 70g / 2.5oz
- 1 large whole egg room temperature
- 1/2 tsp vanilla extract
- 1 cup all purpose flour 155g / 5.5oz
- 1/4 tsp salt
- 1/2 tsp baking soda
- 1 cup Paradise's Fruitcake mix

Directions:

Preheat your oven to 350F. Line a baking sheet with parchment and set aside.

In a stand mixer, cream together the butter and sugar for 3 minutes until smooth on medium speed. Add the egg and vanilla extract and mix until incorporated, 1 minute.

In a bowl, combine your dries together and mix until combined. Add the dries to the mixer in two additions on medium low speed. Finally, add the fruitcake mix and mix just until incorporated on low speed.

With a portion scoop, scoop the cookies onto the prepared baking sheet. Bake for 12 minutes or until lightly golden brown on the edges. Let cool.
