# Fruitcake Cookies

## Ingredients:

- 1 30 ounce roll Pillsbury refrigerated sugar cookie dough
- ¾ cup chopped pecans
- ¾ cup candied fruit mix, chopped

## Directions:

Remove the wrapper from the refrigerated sugar cookie dough. Slice the dough and allow it to come to room temperature, about 10 – 15 minutes. It will come to room temperature more quickly if sliced.

Preheat the oven to 350°F. Line baking sheets with a silicone baking mat or parchment paper. Set aside.

In the bowl of a stand mixer, crumble the cookie dough, nuts, and the chopped candied fruit mix. Using the paddle attachment, mix until just combined.

Using a #40 cookie scoop, drop onto the prepared baking sheets. Bake 15 to 17 minutes or until they are set and begin to brown around the edges. Allow cookies to cool for 2 minutes on the baking sheet before removing to a cooling rack to cool completely before storing.
